Fees and Refunds

When you enrol in training you may have to pay part of the cost of training, this is known as the Co-contribution Fee, the relevant Government department subsidises the remainder of the fee. The fees (total and the amount you must pay) are a requirement of the Government and must be paid. However, if you are entitled to a concession you will have this fee reduced and if you are entitled to a Fee-free subsidy then you will not have to pay any Co-contribution Fee. We will confirm the Total Co-contribution fee during the enrolment process.

Other information you should know about our Fees and Refunds processes:

- Eligibility for Concessions is set by the government so make sure you provide us with all relevant information and required evidence before you enrol to avoid being invoiced for the wrong amount.
- In some circumstances, your Jobactive Provider may pay the fee and you should discuss this with your Provider and let us know if this will be the case. An invoice will be sent to the Provider upon enrolment in your Qualification.
- In some circumstances, your employer may pay the fee for Apprenticeships and Traineeships – we will let you know if this will be the case and an invoice will be sent to your Employer prior to completion of your Qualification.
- You, your Employer or your Jobactive Provider must have paid the student fees in full by the end of the training course, if you have not ***we will not issue you with a Certificate.***
- If you are awarded RPL or Credit Transfer before the enrolment process is completed your student fee will be adjusted to reflect the number of units awarded recognition.
- If you are awarded RPL after enrolment a refund of fees paid or an adjustment to any outstanding fees will be made.

Prior Learning

Recognition of Prior Learning (RPL)

RPL is the process by which your existing skills, knowledge and experience are recognised towards the achievement of a qualification. These skills may have been obtained through: Training programs; work experience; voluntary work; school work, life or sporting experience.

If you apply for Recognition and are successful it can save you time in achieving a qualification as you do not have to repeat learning for skills and knowledge you already have.

All students are entitled to apply for Recognition of previously learnt skills and knowledge. To be awarded RPL you must provide evidence of when and how their competency was acquired.

To ensure that we assess your application for RPL in a consistent and fair manner we have developed the following process:

1. If you feel you want to apply for RPL, contact our office; we will explain the initial application process and send you out an RPL Application Form.
2. When we receive the completed RPL Application Form, we will arrange for you to meet with the assessor to discuss your application and make sure you understand the evidence collecting process. At this stage, you will be given an RPL Assessment Kit.

3. We will schedule further meetings to assess the evidence you have provided
4. When all the evidence has been submitted, the assessor will decide if you are competent in all aspects of the unit(s).
5. If yes: Statements of Attainments are issued for the units achieved or a Certificate is issued if you have achieved competence in all units in a Qualification.
6. If no: a meeting will be arranged with the assessor to explain areas requiring further evidence or training.

Credit Transfer (CT)

National College of Vocational Education recognises the training you have successfully completed with other RTO's (or previously by us) and can apply credit to units on provision of Certificates or Statements of Attainment.

Our Credit Transfer Process is as follows:

1. Any student is entitled to apply for credit transfer in a course or qualification in which they are currently enrolled.
2. You will be required to complete the Credit Transfer Application Form and present it to us with your Statement(s) of Attainment or Certificate. You will be asked submit originals for copying and endorsement by our staff or copies which are certified as true copies of the original by a Justice of the Peace (or equivalent).
3. You can apply for Credit Transfer at any time but we encourage you to apply before commencing a training program. This will reduce unnecessary training and ensure a reduction in your student fee if Credit Transfer is awarded.
4. Credit transfer can only be awarded for whole units of competence that meet the packaging rules of the Qualification you are enrolled in. Where only a partial credit is awarded, this will not be considered for credit transfer and you will be advised to seek RPL.
5. You cannot enrol in a training program only for credit transfer.

Fees for RPL or CT

Your Co-contribution Student Fees will be adjusted if you are granted RPL or Credit Transfer for any units in the Training Program. If you apply for, and are granted, RPL or CT before enrolment this will be inputted to the Fee Calculator and the fee you are charged will be reduced. If RPL or CT is awarded after the start of the Training Program you will receive a refund to any student fees paid. For further details refer to the Smart and Skilled Fee and Refund Information.

Unique Student Identifier

It has been a requirement since January 2015 that all students in Australia have a Unique Student Identifier (USI).

The USI will be a lifelong number which will enable your records and results obtained after Jan 1 2015 to be collected in an online system. By having a USI you will be able to access your training records and results (or transcript) whenever you need to.

You must have a USI before an RTO can issue a Certificate or Statements of Attainment. As such, National College of Vocational Education requires the Student have a USI prior to enrolment in the Smart and Skilled course.

The Department of Industry has developed the following video to help students access a USI:

<http://usi.gov.au/students/Pages/default.aspx>

There are two ways to create an USI; our preference is that you create your own but please contact us if you are having difficulty with this.

1. Create your own

This can be done by going to the [Unique student Identifier Website](#) and following some simple steps:

To create a USI, you will be required to provide:

- Personal information – name, date of birth etc.
- Contact Information – at least one method of contact e-mail, mobile or mail
- Form of ID: Options are: Driver License, Medicare card, Australian Passport, Visa (with Non-Australian passport) for international students, Birth Certificate (Australian), Certificate of Registration by Descent, Citizenship Certificate, Immicard.

2. A USI is created on your behalf.

To enable a USI to be created on your behalf you will need to give your permission and you will be required to sign a [Privacy Notice](#) to this effect.

Protection of student's privacy

Your Unique Student Identifier (USI) contains personal information, contact details and your training records and results. The USI system has been designed to keep this information safe and secure and is only accessed by the organisations and employers you choose to have access to your records.

Your privacy

The personal information that you provide to the Student Identifiers Registrar is collected, used, and may be disclosed, in accordance with the provisions of the Student Identifiers Act 2014 and the Privacy Act 1988. The Student Identifiers Registrar's Privacy Policy provides information about the protection of your information, including how you can access and seek correction of your personal information held by the Student Identifiers Registrar and how to make a complaint about a breach of your privacy and how such complaints are handled.

Access to records

You will be required to set access controls to allow the relevant Government Department and National College of Vocational Education the appropriate levels of access to your USI records
